

NEW RESPONDER TRAUMA SHEARS PREMIUM GRADE STEEL

Built for safety and efficiency, the Responder Trauma Shears from FareTec Inc. work great for both tactical and civilian healthcare markets. These paramedic shears are made from premium-grade stainless steel. They feature a serrated lower blade which cuts through the toughest materials. A soft-grip, non-slip contoured handle provides excellent control, even when wet. We added a clothing lift lip and rounded tip to increase patient safety. These shears come in two sizes with various color options, all made to meet the challenges of casualty care with precision and dependability. Our trauma shears come in two convenient lengths, 6.25 or 5.5 inches..
